

Free Healthy School Meals for All

Woodrow Wilson Academy partners with Denver Public Schools to provide our students with free, healthy school meals for all students (PreK-8th grade). The menu will continue to be posted on the WWA webpage, located under Important Links at the bottom of the home page.

Food allergies and sensitivities

If your child has known food allergies or sensitivities, we will need the following form filled out by you and your doctor.

[Meal Modification Form](#)

If you have questions please contact the front office at 303-431-3694.
