

## KG-5th Grade Student Accommodation Request

Name of Parent Filling Out Form \_\_\_\_\_

Name of Student \_\_\_\_\_

Grade For Next School Year \_\_\_\_\_ Date \_\_\_\_\_

**Please note: Requests are only accepted through the last school day of the current school year.**

At times parents may have concerns or suggestions about their children's educational process. Being aware of those concerns or suggestions will help us develop next year's class lists. We want to focus on the educational needs of students, rather than giving us a teacher preference. We are asking that you make clear to us your concerns and how we as a school can meet your child's needs. WWA is a wonderful school with fantastic teachers and we fully expect that most children/parents will not have needs or concerns that rise to this level.

Thank you for helping us better understand your special situation.

Please describe the educational/social characteristic(s) your child displayed this year that is causing concern:

Please describe the classroom setting in which you feel your child would be able to reach their greatest potential:
