

## Data Privacy and Security

Woodrow Wilson Academy strongly believes in protecting the privacy and security of our students and their personal data and information. This is insured through compliance with the [Colorado Student Data Transparency and Security Act \(HB 16-1423\)](#) and the [Family Educational Rights and Privacy Act \(FERPA\)](#).

## Laws and Policies

### **Federal Law:**

[Family Educational Rights and Privacy Act \(FERPA\)](#)

### **State Law:**

[Colorado Student Data Transparency and Security Act \(HB 16-1423\)](#)

### **State Policy:**

In accordance with Colorado statute, the [Colorado Open Records Act \(CORA\)](#), Woodrow Wilson Academy maintains corporate records in the school's offices. Should an individual want copies of the documents, Woodrow Wilson Academy will follow [Jefferson County Public School District intent](#) regarding open records requests.

### **District Policies:**

All Jefferson County District Policies, including Student Use of the District Computing Resources and the Internet (JS), Student Use of Personal Devices (JSA), Computer Safety (EHAA) and Staff Use of the Internet and Electronic Communications can be found in the [District Policies Handbook](#).
